

Ginger Johnson's Intro

Super Short Intro:

Most introductions for speakers are full of credentials, awards, accomplishments, and other unexciting information.

Let's say this: Everything in life is Powered By Connection.

Connection is Ginger's jam – and it brings all of us to the table.

It's the art, science and energy that makes the world go 'round.

She works with great leaders, teams and organizations to do their best work by tapping into the incredible possibilities meaningful connection creates.

We invited Ginger to join us today because **[insert your reason here]**.

Get ready for some big positive energy, fun, and lots of aha moments.

I give you, Ginger!
